Foreword

We have endeavored to bring together in this book a record of all the cherished moments that we, as students, have shared at Norwood High School during our three years here. We realize that these days were perhaps some of our happiest, and so the staff of this year's Tiot has labored hard to make this book one that will bring back fond recollections in the years to come. We sincerely hope that it meets with your approval and also that it matches the high standard set by the Norwood High yearbooks in the past. M.J. '54

Dedication

As we are about to leave the hallowed halls of Norwood High School, we look back, and in retrospect we recall the small army of unselfish men and women who, from the first grade through the twelfth, have had such a potent influence on our mental, physical, and moral development. From the motherly women who made us feel at home in the primary grades, to the realistic "professeurs" in the high school who instructed us on a more adult level, "never have so few done so much for so many," to paraphrase a famous oration. It is to all these meritorious teachers then, that we wish to dedicate this record of our high school days to show our gratitude, esteem, and honor. They are infinitely deserving of all three.

We Make Our Debut

SOPHOMORE YEAR

In September of 1951, a melange of students from the Junior High School and Saint Catherine's School came together for the first time to form the Sophomore class of Norwood High School.

In the manner characteristic of Sophomores, we began our first year at the School on the Hill with intermingled joy and anxiety, excitement and bewilderment. We were awe-stricken by the confident and accomplished Seniors, and we hoped that we might follow their precedent in scholastic, athletic and social prowess.

Our activities as a class began with the election of officers in October of that year. The leaders whom we chose to pilot us through this most important year were: Donald Tanneyhill, president; Gerald McNeil, vice-president; Irene Falconer, sec-

retary; Peter Folan and Marilyn Aspro, treasurers; Porta Sideropoulos and Paul Eckhardt, A.A. representatives.

The next few months were spent in learning to work together and to become acquainted with our new teachers and new environment.

The various committees for the Sophomore party co-operated to plan a most enjoyable evening with dancing, refreshments and entertainment. Shortly after that we collaborated to produce an appropriate and pleasant Christmas Assembly. Members of our class became active in Student Council, in athletics and on committees, and by the end of our first year at Norwood High we began to feel that we were constituents in good standing.

We Function as Middle Men

JUNIOR YEAR

In September of our second year at High School, our confidence and assurance had increased and we were no longer so uncertain or so spell-bound by the haughty seniors.

Our class officers during the year 1952-53 were: John Doyle, president; Marlene Johnston, vice-president; Irene Falconer, secretary; Georgia Georges and Rocco Pennachio, treasurers; Porta Sideropoulos and Paul Eckhardt, A.A. representatives.

As the year progressed we became aware of the athletic capabilities of several of our classmates. Players like John Doyle, Paul Eckhardt and Patrick Lydon gave us high hopes for a senior year of outstanding athletic accomplishments.

However, all our attainments were not athletic, for our Junior Prom, with its colorful Mardi Gras theme, was one of the

gayest and loveliest ever held at Norwood High.

Three outstanding Junior boys, Donald McComb, John Schuller and Gerald Pike, admirably represented Norwood at Boys' State, and we were proud to send Elizabeth Dunn as our delegate to Girls' State. John Doyle won the Harvard Book Award.

The latter part of our Junior Year was spent in making preparations for our Senior year. We elected Marlene Johnston and Richard Saunders editors-in-chief of the Tiot, and we chose a bevy of attractive and vivacious girls as our cheerleaders, and we formed our traffic squad.

As June of 1953 drew nigh, we reviewed with pride and pleasure our two years on the Hill, and impatiently awaited what we were sure would be the best year of all.

We Dominate the Scholastic Scene

SENIOR YEAR

October of 1953 witnessed the last elections of officers for the class of 1954. Chosen to lead us in this year of years were: Dominic Fruci, president; Georgia Georges, vice-president; Sylvia Berglund, secretary; Barbara Sanborn and Francis Meissner, treasurers; Paul Eckhardt and Porta Sideropoulos, A.A. representatives.

John Doyle and Paul Eckhardt led our football team through a very creditable season which culminated in a victory over Dedham at the annual Thanksgiving day game. Not only on the gridiron but in hockey, baseball, basketball and track, our teams showed the ability and sportsmanship that are a tradition with the Blue and White.

Our cheerleaders, Captain Marilyn Aspro, Beverly Cofsky, Irene Falconer,

Carol Murphy, Barbara Sanborn, Porta Sideropoulos and Marcia Pelletier won our praise and approbation with their attractive appearance, energetic support, and their ingenuity in devising original cheers.

We selected as our class play the comedy "Men are Like Street-cars." Under the proficient direction of Mr. John J. Flaherty, such outstanding performers as Richard Saunders, Harriet Gullich, Judith Horgan, Donald McComb and Sylvia Berglund succeeded in producing a thoroughly delightful program.

Our second theatrical adventure was the performance of our Operetta, "Harmony Hall." Mr. Fleck directed the music, Miss Gow coached the dramatics and Miss Kiley taught the dancing for this amusing and tuneful musicale. Several of our operetta

SENIOR YEAR (Continued)

stars were: Gerald McNeil, Harriet Gullich, Donald McComb, Irene Falconer, Donald Tanneyhill, Irene Ostrom and Patricia McCready, John Schuller and Milton Towne.

As the year drew to a close, we plunged ourselves into the task of planning our Senior Prom. Our hours of toil were rewarded, for we will always remember with nostalgia the beautiful music, lovely decorations and the genuine fun that marked the outstanding social event of the year.

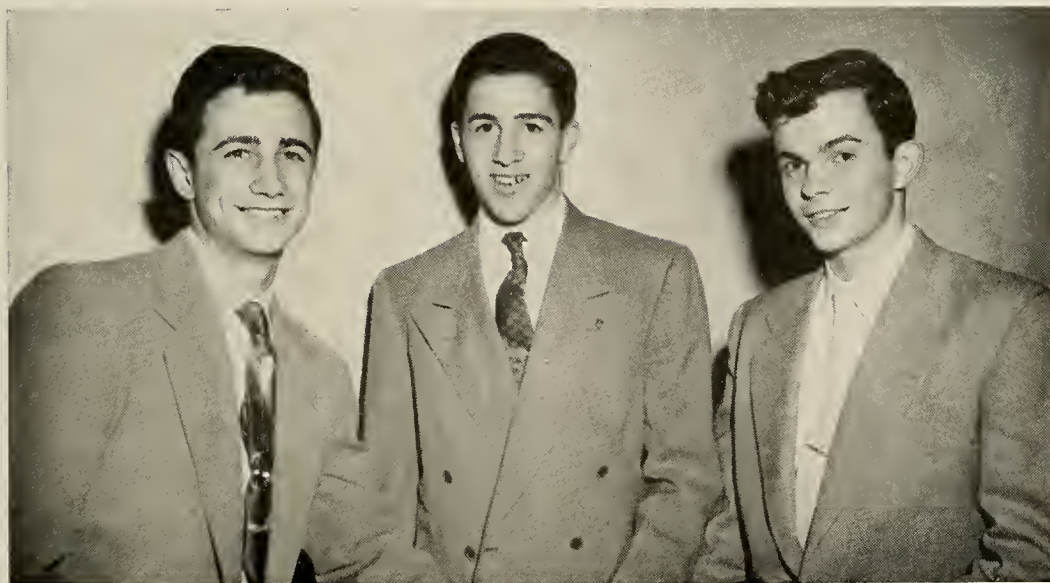

We cannot write a history of our class without including a note of thanks to Mr. Hayden, our patient and firm guide, to Miss Coughlin, our chief senior adviser, and to all the teachers who have contributed to our enlightenment and enjoyment during our three years at the School on the Hill.

A special word of congratulation goes to all our yearbook editors: Richard Saunders and Marlene Johnston, editors-in-chief; Mary Yelapi and Edmund Wenstrom, advertising managers; Anne Thompson and Milton Towne, circulation editors; Alice Byrne and Richard Hohmann, our art editors; and to Mrs. Riley, their adviser.

We also feel that Gerald McNeil deserves a special word of commendation for his outstanding job as president of the Student Council, and Miss Hubbard for her work as adviser.

Now, after three years of living and learning at Norwood High, we have only a few days left in our beloved School on the Hill. We await our forthcoming graduation with the pleasantest of memories, the sweet sorrow of leaving our alma mater, and the confidence to face the future.

BUSINESS

Interesting careers as secretaries, stenographers, file clerks, machine operators, typists and general office clerks are assured the girls who receive training in the modern, up-to-date stenographic and machines departments of our school.

FOODS

Employer demands have increased enrollment in the commercial foods field. All students find an outlet for their talents in the various food areas as caterers, chefs, tea room assistants, pastry cooks, bakers and restaurant helpers.

TEA ROOM

The niceties of tea room operation both behind the scenes and before the public eye are learned thoroughly under competent direction. The tea room itself is most attractive and the clientele very appreciative.. About 40-45 people are served each day.

Do By Doing

FASHIONS

For the student who has selected the fashion field, many avenues of work are possible: designing, tailoring, working in private establishments or retail stores—any one of these are possible after receiving training in the fashions field.

BEAUTY

The career of stylist, shop operator or owner, facial specialist, or manicurist are just a few of the job opportunities possible for the beauty specialist. Those taking the state board examination have consistently maintained high standards of performance.

ART

Craft and creative ability are correlated in each trade through the skillful application of art and its many facets. Appreciation of commercial artistry so far as it applies to each trade is given careful consideration. The department acts as a hub in the wheel of activities by helping to blend student and classroom activities into an artistic setup.

Our Peabody Memories are Many and Dear

Our first activity of the year, the annual picnic, was held at Rocky Woods, Medfield, during September. It was a beautiful day, and games, boat rides, and a cook-out were the featured events.

In October, elections presented a serious part of our program. They were held according to tradition. Posters, slogans, and speeches added to the enthusiasm of the campaigners.

Parents' Night was held in November this year, instead of in March. This enabled parents, teachers, and students to become better acquainted earlier in the year.

Our Thanksgiving dinner brought us to the end of November and turned our attention in the direction of Christmas. A great deal of work and interest was put into our annual Christmas Sale which was held in the form of a bazaar, in the cafeteria.

Our Christmas Program opened with a famous Christmas Opera, "Amahl and the Night Visitors." The play was followed by the long-awaited banquet (a delicious turkey dinner) served by the teachers.

The White Elephant Sale took place in January, and our next project, the Prom in February, highlighted our social year. The theme of the dance was the "Snowflake" and the programs, decorations, and refreshments featured the idea.

In April, everyone had a barrel of fun at the jolly square dancing frolic.

In June, juniors held the Step Party for us. Although we were very happy, we felt rather sad to leave our school and the teachers who meant so much to us. Yes, our school days have left us many pleasant memories.

Achievements generally draw heavily on the past and frequently challenge the future. The boys in the vocational group of the class of 1954 will look back over the three years they have been classmates and realize that such a pattern in their development has been experienced.

Probably the most noteworthy single aspect of this class is the fact that they represent the largest graduating group in the history of the vocational school. It is quite significant that on this tenth anniversary year we should have ten boys ready to take their place in the world of work as trained craftsmen.

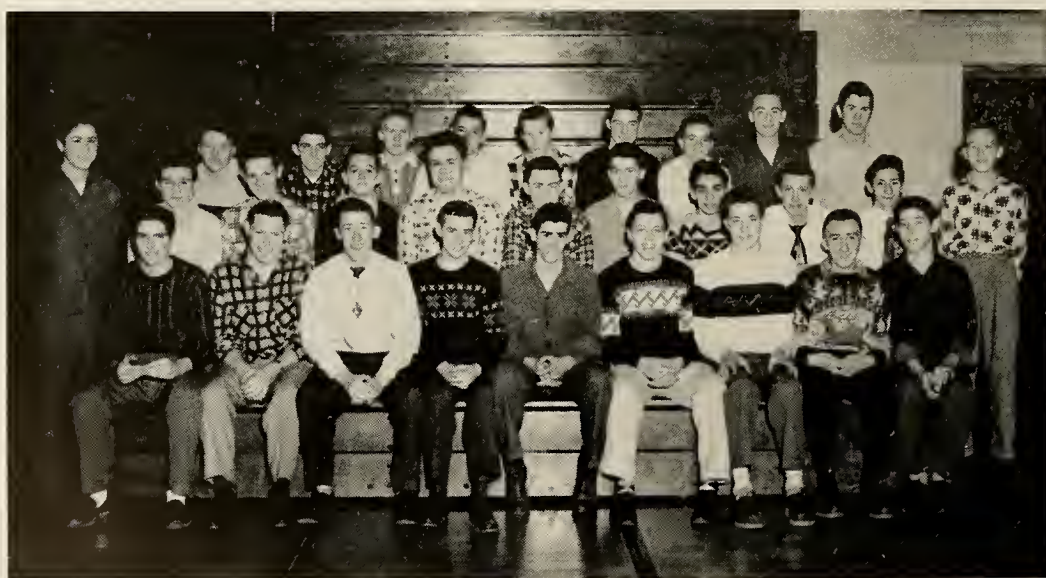

With a major portion of their final year already "in the record book," prospects for the future of these vocational boys of the class of 1954 are bright indeed. C.H.W.

UNDERGRADS

The Juniors Had a Gay Year

The class of '55 entered its Junior Year with a feeling of great importance, being upper classmen. With high hopes and determination, we tried to live up to the excellent standards set last year. We first elected our Class Officers—President, Brian

Dunn; Vice-President, Marcia Pelletier; Secretary, Marion Ostergren; Girls' Treasurer, Joan Thomas; Boys' Treasurer, Ronald Cieri; Girls' A.A. Representative, Dorothy Sutherland; and Boys' A.A. Representative, Philip Costello.

Many of our boys excelled in football and helped to account for our victorious Thanksgiving Day game. Jimmy Campbell, Robert McGloin, Kenny Worster and Brian Dunn starred in basketball. Richard Walker added much to our hockey team's fame, and our Junior star, Mike Graney, was missed greatly on the ice.

On February 19, 1954 we held our annual Junior Prom which was a great success. The decorations, which carried out an unusual theme depicting "Paris Skies," were beautiful; the music was entrancing and our spirits were high. We ended our school year with the Reception for the Seniors and now look forward to our own year as headmen on the hill.

This Sophomore Saga Tells All

As the pages of the past year are turned back, we recall that big day in September when we were officially inaugurated as Sophomores of the Norwood Senior High School. Filled with anxiety and excitement, we spent the first day of school in a state of great confusion; we were very often lost, trampled on and peevishly called "Little Sophies." But after adjusting ourselves to our new faculty, the upper classmen, and a drastically short lunch period, we settled

down with the anticipation of having a prosperous year.

The election of our class officers: John Anderson, President; Kathleen McGuff, Vice-President; Jean Schaier, Secretary; Diane Laakso, Girls' Treasurer; Paul Butters, Boys' Treasurer; Marilyn Hutchings and Gerald Armstrong, A.A. Representatives, proved to be our first major accomplishment of the year.

Under the guidance of our advisers the dancing, entertainment and refreshments of the Sophomore Party were enjoyed immensely by all who attended. The party presented the first real opportunity for a class get-together and it was a great success.

Just before Christmas we presented the Annual Sophomore Assembly. The program consisted of Bible readings, Yuletide songs, poems of good will and a traditional Christmas story.

For the remainder of the year we maintained an interest in school activities and we were very active in curricular and extra-curricular affairs.

Student Council Carries On

The 1953-1954 Student Council led by Gerald McNeil, President, and assisted by Charles Weisul, Vice-President; Elizabeth Dunn, Recording Secretary, Irene Falconer, Corresponding Secretary, Lorraine Cavanaugh, treasurer, and an Executive Board composed of John Doyle, Chairman, Roberta Graney, Mary Mahoney, John Schuller, Anna Bilotta, and Marcia Pelletier has achieved numerous objectives.

The Annual Student Council Dance was so successful socially, and financially that the Council voted to make this a traditional theme each year, so in the future it will be known as "The Autumn Frolic."

Irene Falconer, Georgia Georges, and Francis Meissner were chosen as delegates to the Fall Conference of the Eastern Massachusetts Division of Student Councils at Belmont.

We now have our own Student Council Bulletin Board where notices and information of importance to the Council are located.

As in other years, the Council has sponsored the March of Dimes Drive and the Heart Drive Collections, and has given its support to the Assembly Drive and other school activities.

One of the big projects of the year which the Council has undertaken is the Revision of the Student Handbook.

The Council is grateful to Miss Mary Hubbard, faculty adviser, for the time and interest which she has devoted to the Student Council, and to Mr. Charles Hayden, our principal, for his wholehearted cooperation, and to the Faculty and student body.

Every month the club sponsors contests the subjects of which are chosen by the officers. These include such topics as: human interest candids, Christmas card suggestions, table top designs, snow scenes, pictures of hands, and out-door and flash compositions. Miss Ryan, Mr. Learnard and Mr. Pappas are the judges of the pictures.

Every club member is given a certain number of credits depending upon where he finishes. At the end of the year cash awards are given to the three photographers who have the best scores.

When Senior Photographs are taken by Purdy Photographers, we are allowed to use their professional equipment and thus to try our hand at formal portraiture.

The club has also been fortunate enough to have Miss Page, art director of the Peabody School, give several lectures on compositions during the year.

Many films have been viewed by the club. The films take up such subjects as developing and printing technique, filters, portraits, lenses and other topics too numerous to mention. Much has been attempted and much has been accomplished. C.W. '55

Hilltop Highlights Keep Our Town Informed

"Hilltop Highlights", a column of school news published weekly during the academic year in the NORWOOD MESSENGER and NORWOOD TRIBUNE, represents an attempt to acquaint the townspeople of Norwood with the number and variety of school activities, and to picture the life of the school through the eyes of the student.

This year Ann Foley, a junior, has been our local correspondent. Helene Marcoux, also a junior, reports on N.H.S. activity to Terry Thomas, High School columnist of the BOSTON TRAVELER, and news and pictures appear in that paper periodically.

Pictures for release to local and city papers are on occasion posed, snapped, developed and printed by members of the Norwood High School Photography Club. Edward Lane, a senior typewriting student, prepares the news for release to the papers.

The pages of our local newspaper are the sole means of telling our school's story to many Norwoodites. By reporting the activities of our three classes, the Student Council, and the many other extra-curricular organizations, our readers are brought into touch with our school and theirs.

FOOTBALL PROGRAM COMMITTEE

Sitting: Meissner, Saunders, Chairman; Johnston, Sutherland, Pelletier, Nelson.
Standing: Folan, Sansone, Dunn, Cofsky, Pye.

They Keep Us "Au Courant"

The members of the football program committee made it possible for the football fans to have "human interest" literature to read during the thrilling Norwood High games. The information the programs gave on the game itself would have been sufficient reason for their existence, let alone the enthralling "tidbits" and special articles. Many hours of "scientific" research were put into each publication. These geniuses also informed the school and town about

who had the "most beautiful eyes" and the "nicest figure", etc. in N.H.S.

Although the football program business at Norwood High has never been, strictly speaking, a paying proposition, the committee was rewarded by the many hilarious hours spent collecting, and sometimes concocting the news, and the customers have been able to follow the game intelligently while keeping up with the latest "scoop" on the Hill.

It Was Named for "Ike"

Our Future Teachers of America Club was organized on January 20th, 1953. What more appropriate name could have been selected than The Dwight D. Eisenhower Club?

The photograph of President Eisenhower and our Charter, both of which we received from Washington, have been framed, and hang in a prominent place on the walls of our newly decorated Library.

Our aims are those of all F.T.A. clubs:

To learn about the opportunities in teaching.

To cultivate the qualities essential in a good teacher.

To aid in attracting the best qualified young persons into the teaching profession.

Our membership on January first was twenty-one. We are inviting several sophomores each month to join us and to replace us when we graduate. Officers of this year's F.T.A. are Mary Mahoney, president;

Josephine Chitty, vice-president; Nancy Bresnahan, treasurer; Harriet Gullich, secretary; Bruce Rouillard, librarian; Robert Smith, historian; Helene Marcoux, parliamentarian. Meetings have been held semi-monthly. Dues are \$.50 a year.

Our activities this year have been varied and interesting:

Discussions have been held on legislation pertaining to Education, and we have written letters to our representatives regarding proposed legislation.

Seniors have observed and worked on the various levels in the Elementary Schools.

Some members have learned to keep registers and have prepared monthly and yearly reports unaided.

We have attended conventions and contributed to programs of groups interested in the recruitment of teachers.

We are grateful to the Norwood Public Library for the purchase of books especially for our use.

Like Caesar's Wife, the Election Commission is Above Reproach

ELECTION COMMISSION

Sitting: Pierce, Marcoux, Willard, Mahoney, Chairman; Pelletier, McGuff.

Standing: Doyle, Anderson, Dunn, Weisul, Schuller.

The Election Commission Functions Smoothly

The Election Commission consists of ten students who are selected from the Sophomore, Junior and Senior classes.

The duty of this group is to supervise all school elections. Responsibility for efficient and honest elections rests entirely with members of the Election Commission. This board sets election dates, receives nominations, over-sees balloting, counts all votes which may have been cast and publishes the results of all elections.

The Election Commission is closely affiliated with the Student Council. Election Commissioners are chosen by the Council and the Student Council officers assist the

commission when help is needed.

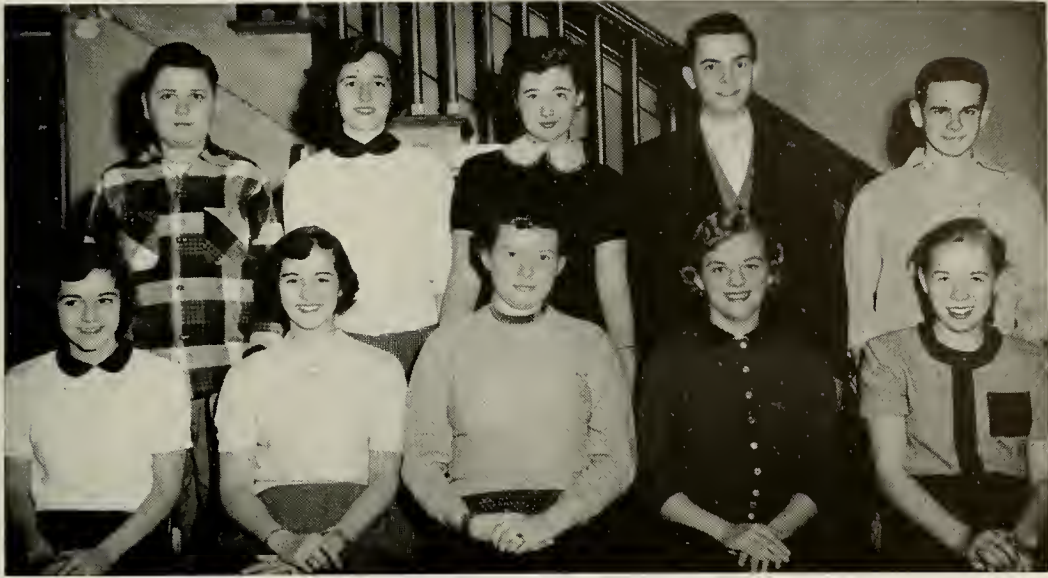

Any member of the commission who is a candidate for office absents himself from its activities until that election has been decided.

The chairman is the senior who has served the longest term on the board.

Members of this year's Election Commission are:

Mary Mahoney, Chairman; Marilyn Aspro, John Doyle, Mary Anne Willard, Ronald Cieri, Sheila McGuff, Marcia Pelletier, Helene Marcoux, Barbara Pierce, and John Anderson.

ASSEMBLY COMMITTEE

Our Assembly Committee is "On the Ball"

Each Friday the scholastic program of the week is supplemented by an instructive and entertaining assembly. These programs, which are equivalent to a class period in length, are previewed and approved by the Assembly Committee.

A very successful year began with a rally at which our attractive and talented cheer leaders showed their ability to arouse enthusiasm. Following this, we had such personalities as the enjoyable Mr. Ken Wheeler, who spoke about television, Bud Thompson, the colorful singing troubadour, the Marionettes, and Gordon Hyatt, the magician. There was also the annual Senior Play Preview, the Bob Clayton Record Hop, Mr. James Butler's "Review

of the News", the traditional Sophomore Christmas Pageant, and the Norwood High School Talent Scout Show.

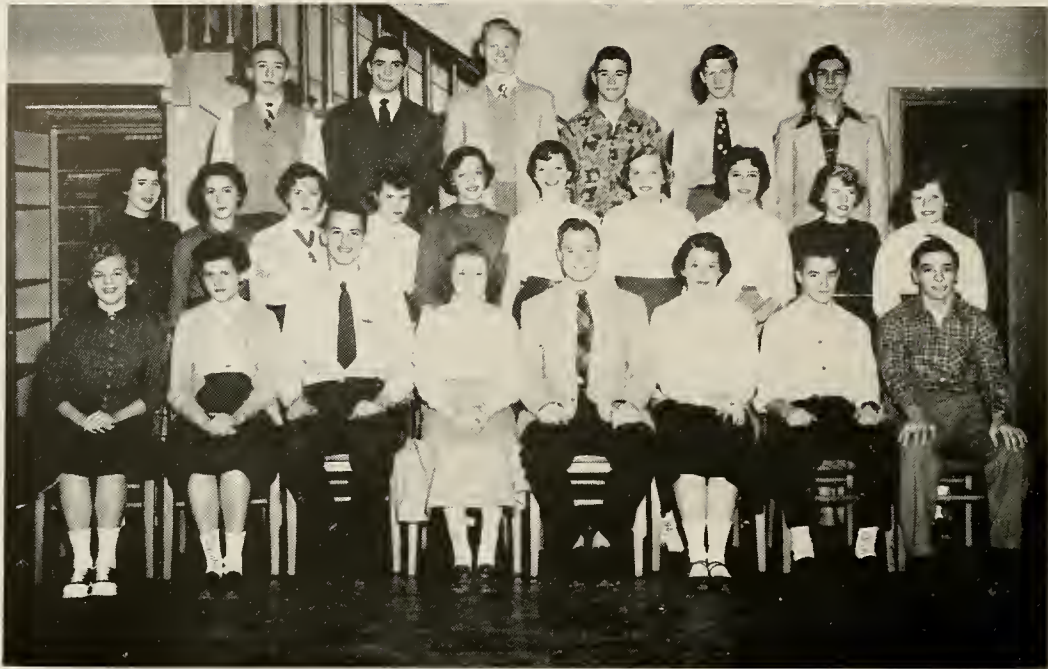

One memorable assembly featured the appearance of Mr. John Wheelock and Mr. G. Roy Walsh, Norwood High graduates of 1913 and the composers of our school song. The song is sung at the close of each assembly and is followed by the National Anthem.

There are representatives from each class on the assembly committee. Officers for this year are: Marlene Johnston, chairman; Barbara Frates, secretary; and Merlene Robertson, treasurer. The committee is under the direction of Mr. Martin O'Donnell.

We Pursue the Elusive Pigskin

Norwood opened the season by conquering a hopeful Needham, 6 to 0, after two years of defeat at their hands. Dom Fruci "scatted" by the opposing defense for the sole score. Needham had us on our knees and was in scoring position, but our tough defense under Co-Captain Paul Eckhardt held fast.

Belmont visited Norwood to receive a "shellacking". Junior Class President Brian Dunn scored twice, Dom Fruci broke through again, and "Boogs" Connolly snared a pass from Co-Captain "Bozo" Doyle, and "Hutch" Ristom kicked one extra point. Arthur White broke through the Belmont offense to give us a safety and we had a total score of 27 to 0.

Milton arrived in our home territory to give us our third straight victory, 12 to 6, with Tom Mackie and "Boogs" Connolly scoring.

We next came out on the bottom of a touch-and-go game with Braintree, 20 to

14. "Bozo" Doyle, at the helm, passed to Gerry McNeil and handed off to Brian Dunn to supply our goals. Ristom kicked the two conversions.

Against Wellesley, we returned to the win column by subduing them 13 to 6. "Bozo" Doyle starred again as he passed to Connolly for one tally, and sneaked over the goal line for number two.

After a game cancelled with Reading because of bad weather, we travelled to Natick and were promptly walloped to the tune of 39 to 7. Costello scored our only touchdown on a "guard-around" play, and Ristom converted.

We were in excellent condition for Dedham on a cool and clear Thanksgiving morn. Once "rolling", we couldn't be stopped, and "snowplowed" Dedham 27 to 2. Connolly, Fruci, Renzi, and McNeil all scored and Ristom kicked three extra points with his golden toe, giving us a fine end to a fine season.

The Ball Went Round and Round

Bunker and Cieri, stars of last year's team, were gone—who did we have to take their places? The spectacular double-overtime game with Needham removed any doubt from our minds—"Packy" Lydon and "Bozo" Doyle. A great addition to the team was the perky consolidator from the Junior Class, "Baldy" McGloin. The season was marked by more spirit and enthusiasm and better turnouts than last year.

Our altitudinous Richard "Saum" Saumsiegle, tallest man in the league, sparked

the team as high scorer with 23 points to the greatest victory of the year, 83-60, over our losing rivals from Dedham. This great game, which put us a little closer to going to the Tech Tournament, ended our season with a record of 9 wins and 5 losses.

Although we missed out on the Tech Tournament, we sent "Baldy," "Packy," "Saum," and "Bozo" to play for the All-Stars. Saumsiegle was the high scorer in his game. Thus ended the Seniors' basketball years at Norwood High.

"If They Don't Win, It's a Shame"

Norwood started the season against a strong Wellesley team which practically snowed us under by batting out nine runs in the first inning. Nevertheless, our boys valiantly fought on and slowly crept up on our opponents, so that the final score, a loss of 12 to 9, was at least a respectable showing.

In the Walpole game which followed, "Snuffy" Bowles held our opponents blank for five innings. When relieved by Brissette, who was followed by "Boogs" Connolly, Walpole got in some runs, but largely due to the hitting of "Dom" Renzi, we emerged as victors with a close score of 8-7.

Bob Brissette pitched his first full game against Milton and won 7-4. McGloin's home run was a feature of this game.

Against Framingham we had a field day. Everybody shared in the hits, and "Snuffy"

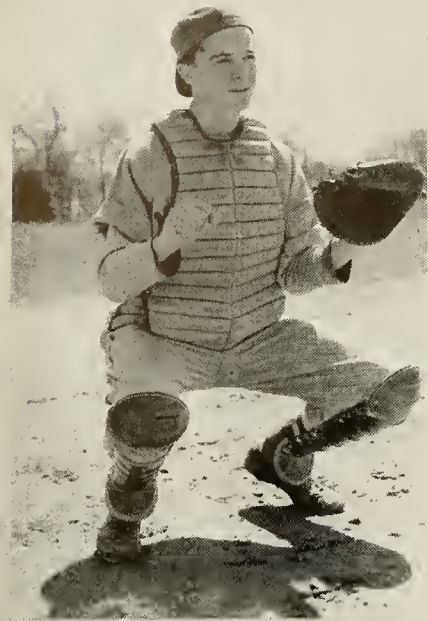

fanned twenty-three men to win a 14-1 out and out victory.

Needham, however, proved to be a horse of another color, and upset our apple-cart 8-6 in a game which we had been hopeful, if not confident, of winning.

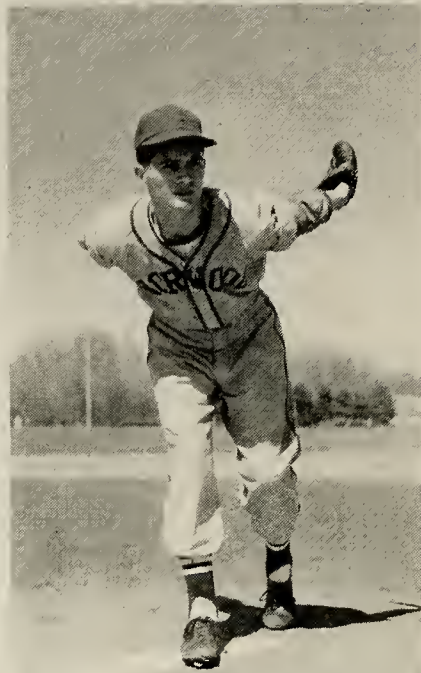

As this book goes to press, we are less than half-way through our schedule, and Co-captain John "Bozo" Doyle leads the team with a batting average of over .400. The playing of the Junior triumvirate, Graney, McGloin, and Renzi has been outstanding. Co-captain Bowles, assisted by capable catcher McColgan, has been a tower of strength. With their constantly improving playing, and if not deserted by that elusive "Lady Luck," Norwood High School should place high in the Bay State League this year.

Merci Beaucoup

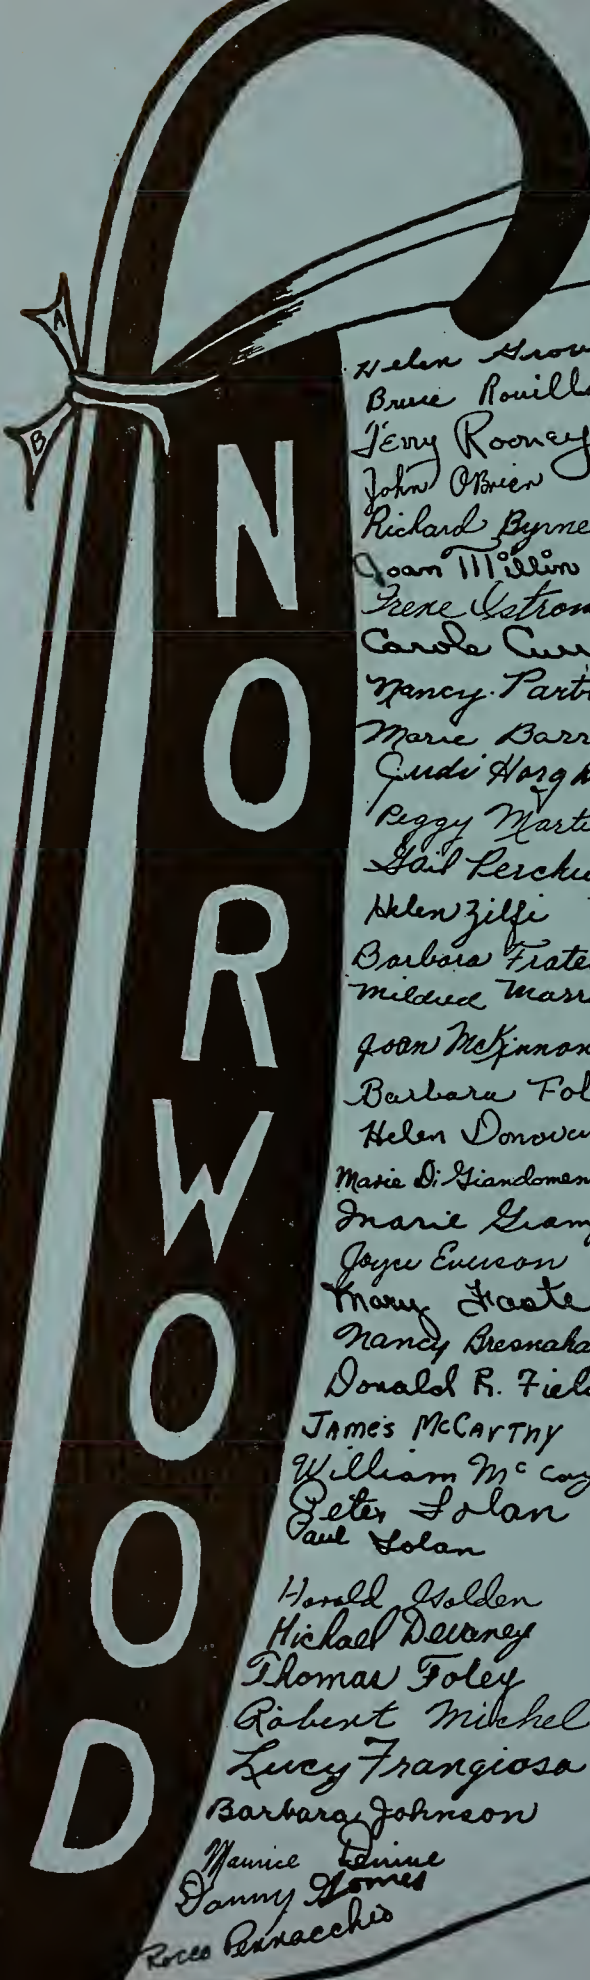

We wish to take this opportunity to thank the sponsors and advertisers who have helped us to finance this yearbook. At the same time, we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising section. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.
